

Welcome to my Sampans restaurant...

I grew up in Penang Malaysia and was fascinated by the sights and aroma of cooking from an early childhood. I would help my mother in the kitchen, learning about the fresh herbs and spices that are used in Asian cooking. My passion for food led me to travel extensively across the Asian continent to China, Vietnam, Sri Lanka and Japan. During my journeys I worked in restaurants, learning my craft and fusing the foods of the various cultures to bring an authentic taste of the Far East to my style of cooking. These skills are reflected in creating this new Sampans menu.
