## MARGARITA \$20

Avion Tequila, Triple Sec, citrus and Agave

You know what they say about drinking Tequila...Can't remember.

---

## CLASSIC DRY MARTINI \$18

Choice of Gin, Dry Vermouth, Lemon Twist

You could stumble down a very deep, very dark rabbit hole trying to determine who mixed the world's first Martini. Was it a California prospector during the 1849 Gold Rush or the barman at a flossy New York City hotel 50 years later? Both stories hold water. Neither will leave you feeling as blissful and content as a well-made Dry martini.

---

## CAIPIRINHA \$19

Cachaça a 51, lime and sugar

Cachaça a is often confused with rum because both spirits are derived from sugar cane; nevertheless, they are surprisingly different. Rum is generally made from molasses, a dark-brown syrupy by-product created during the process of refining sugar. Cachaça, on the other hand, is made from the fresh-pressed juice of the sugarcane, called grape, and contains nothing else. Cachaça is the official spirit of Brazil.

---

## ESPRESSO MARTINI \$17

Absolut Vodka, Kahlua, Vittoria Coffee Liqueur 43

The Espresso Martini cocktail was created by Dick Bradsell for a customer who allegedly asked for something that would “wake her the heck up” hence the combination of vodka and strong espresso coffee. The 3 beans atop of the Espresso Martini also serve to represent health, happiness and prosperity.

## COSMOPOLITAN \$17

There comes a time in every woman's life when the only thing that helps is a glass of champagne...Cosmos are for all the other moments. Because 99% of all problems can be solved by money... and for the other 1% there's alcohol.

---

## OLD FASHION \$20

Chivas regal, Makers Mark or Bullet Rye, Angostura Orange Bitters and sugar Scotch Whisky (Scotland), Bourbon (American), Rye Whisky (Canadian) are all forms of whiskey, originating in different counties, each with their own flavour profile and strict rules. Let the Bartender have a play and see if you can tell the difference in this beautifully balanced sweet and aromatic cocktail.

---

## WHISKY SOUR \$18

Chivas Whisky, fresh lemon juice, egg white and sugar

Vice Admiral Edward Vernon of England began mixing a few ingredients together to serve to his crew to help combat sea-sickness, malnutrition, and scurvy. But because they didn't want an entire ship of intoxicated sailors, they began to water it down with lemon or lime juice. While the British used Gin and Brandy, Americans flavoured Whiskey, and thus the Whisky Sour was born.

## THE MISTRESS \$18

Hendricks Gin, Saint Germain, mixed berry, cranberry juice, and egg white

---

## BACK IN BUSINESS \$20

Chivas Regal, Dom Benedictine, Cointreau, fresh pineapple, lemon juice, ginger beer  
The "Chivas Regal Effect" as its known, refers to something being considered superior simply because of its higher price, so we decided to test it out. Combined with an original recipe created by the Benedictine monks of the Abbey of Fecamp in Normandsy, which was lost in the ashes of the French revolution, we are creating our own revolution.

---

## HARMONY \$18

Lychee Liquor, Malibu coconut rum, fresh mint, pineapple juice and apple juice  
Coconuts kill over 150 people a year, and are known as the Swiss Army knife of the plant kingdom. Lychee seed can induce hypoglycaemia, after continuous consumption of the pit. Luckily we have found a way to safely infuse them in Harmony.  
No animals were harmed in the process.

---

## BAD BOY, GOOD GIRL \$20

Absolute vanilla vodka, lychee liquor and sparkling Moscato  
Established by Lars Olsson Smith in Ahus, Sweden, Smith challenged the city of Stockholm's liquor monopoly with his Absolut Vodka. It was sold outside the city border for a much lower price and he would incentivize his spirits with free boat rides to his distillery. He later became "the King of Spirits" which he accredited to his wife which he had married at the tender age of 9 (he was 9).
