ENRICHING EXPERIENCES
FOR OUR GUESTS AND
OUR ENVIRONMENT

We believe that a responsible meeting is not only what you experience in the meeting room but also knowing that your hotel respects the destination around it.

Our ambition is that guests enjoy enriching experiences that reveal what makes a place truly special – its heritage, culture and tradition – and the importance of protecting it.

Discover one of Jubail's historic landmark, the Al Tuwayah tower is a conical tower which was built on request of His Majesty King Abdulaziz in 1929 AD/1348 H, in order to be used in reconnaissance and to protect fresh water wells situated at the base of the tower from the enemies.

At InterContinental we use a holistic approach to being a responsible business: to work from the grass roots up, recognising each individual hotel team as the experts best placed to use their local knowledge for developing community and environmental initiatives that meet the specific needs of the destination.
CONNECT TO LOCAL CULTURE AND HISTORY
