

# We are next to Folkestone's top Leisure attractions

## Port Lympne Safari

Port Lympne is home to over 900 rare and endangered animals, including the largest herd of black rhino in the UK, western lowland gorillas, the only giraffes in Kent, tigers, lions, leopards, bears and so much more! With regular animal births and new species coming in every year, there's always something different to see.

## Folkestone beaches

Sunny Sands Beach is a popular sandy beach located close to the centre of town and next to Folkestone Harbour.... The fact that this is one of the closest sandy beaches to London means that we're closer than you think! Our hotel is located less than 10 minutes from Folkestone seafront.

## The Channel Tunnel

Also known as Eurotunnel, The Channel Tunnel is a 50.45-kilometre railway that connects Folkestone, Kent with Coquelles in northern France. It is the only fixed link between the United Kingdom and the European mainland. If you're looking to travel to Europe by car / coach a stop over at Holiday Inn Express Folkestone is a must. And we're pet friendly!
