
SOMOS* for sharing.

Sharing flavours, conversations and laughter, success around the table: our table!

The menu “Food for sharing” is an invitation for the curious, those who enjoy trying new things, combining dishes and discovering new mixes.

The options are varied and based on the best national products, from fresh fish and seafood from our shores, to traditional enchidos and mouth-watering meats of higher quality breeds such as “Taurino” or “Maronês”.

To go with it, a selection of vegetables and fruits from our urban garden, respecting the four seasons.

* SOMOS means “We are” in Portuguese

**“SOMOS” for tempting, authentic
and irresistible propositions!
Because it’s not enough to exist,
we need to be. And we “SOMOS”.**
